ART GLASS

České křišťálové lustry

Vítáme Vás nad stránkami našeho nového katalogu. Naleznete v něm velké množství nových svítidel se skleněnými i mosaznými rameny, dále pak přisazené lustry i odlitková svítidla. Katalog je doplněn ucelenou řadou svítidel Maria Terezia.

Naši stálí obchodní partneři jistě zaznamenají skutečnost, že se celý sortiment výrobků výrazně obměnil. Firma ARTGLASS s.r.o. dále rozšiřuje sortiment svítidel o možnost ozdobit lustry různými druhy ověšků. K této příležitosti vydáváme nové dva typy certifikátů ověšových souprav: Classic a Crystal Exclusive. Celý sortiment je doplněn ověsy světoznámé firmy Swarovski s certifikační značkou Swarovski® spectra®. Bližší informace naleznete v katalogu na straně 5.

Naše společnost garantuje, že na našich výrobcích jsou použity jen kvalitní materiály. Všechny kovové díly jsou vyrobeny z čisté mosazi, ručně mechanicky (případně chemicky) leštěné a lakované speciálním kvalitním lakem ERCOLIT, který je odolný vůči chemickému i mechanickému opotřebení. Skleněné díly jsou vyrobeny strojní nebo ruční technologií (viz strana 5).

Pravý výrobek firmy ARTGLASS s.r.o. poznáte dle štítku umístěného v stropní růžici výrobku i na kartonu. Uvnitř kartonu dále naleznete originální certifikát a visačku firmy i certifikát použitých ověšů.

Připomínám, že veškerý sortiment našich výrobků i další informace o firmě naleznete na našich webových stránkách [www.artglassweb.cz](http://www.artglassweb.cz)

Vážený obchodní přítel, doufáme, že Vás naše nová svítidla oslovila a že rozzáří nejen Váš interiér, ale i Vaši duši.

ARTGLASS s.r.o.

Welcome to the new Catalogue. Let us present a large series of new lighting units with glass and brazen arms, seated chandeliers and cast lighting fittings. The Catalogue shows a complete series of lighting units "Mary Therese".

Our permanent business partners may notice that the assortment has been refreshed. ARTGLASS s.r.o. develops the assortment of the products even further, to allow modifications of the chandeliers with various decorative trimmings. At this occasion, we have issued two new types of certificates for hung decorative sets: Classic and Crystal Exclusive. The assortment is completed with trimmings made by the world-renowned Swarovski, certified with Swarovski® Spectra®. For more detailed information, refer to the Catalogue, page 5. We guarantee that our products are made from top quality materials. Any metal parts are made of neat brass, manually mechanically (or chemically) polished and coated with special lacquer ERCOLIT, resistant to chemicals and mechanical wear. The glass components are machine-made or hand-made (refer to Page 5).

Genuine products ARTGLASS s.r.o. are provided with a label in the top rosette and on the card box. Inside the card box, you will see the original certificate and the company label, along with the certificate identifying the trimmings.

Let me remind you that you can find the comprehensive assortment of our products and more information about our company on the website [www.artglassweb.cz](http://www.artglassweb.cz)

It is our belief that the new offer will attract your attention, and that our lighting fittings may light up your interiors and please your souls as well.

ARTGLASS s.r.o.

## УВАЖАЕМЫЕ ДАМЫ И ГОСПОДА!

Рады приветствовать Вас на страницах нашего нового каталога. В нем Вы найдете большое количество новых светильников со стеклянными и латунными рожками, потолочных и литых люстр. Каталог расширен целостной линией светильников серии Мария Терезия.

Наши постоянные торговые партнеры обязательно отметят, что ассортимент светильников заметно модифицировался за счет применения различных видов подвесок. Мы предлагаем Вам три варианта комплектации подвесками: CLASSIC, CRYSTAL EXCLUSIVE или SWAROVSKI® SPECTRA®.

Подробную информацию о классификации подвесок Вы найдете в каталоге на стр. 5.

ARTGLASS s.r.o. гарантирует изготовление светильников только из качественных материалов и комплектующих. Металлические части выполнены из латуни и покрыты лаком ERCOLIT, устойчивым к химическим и механическим воздействиям.

Хрустальные и стеклянные детали изготавливаются с использованием как современных машин, так и традиционных ручных технологий.

Светильник фирмы ARTGLASS s.r.o. Вы узнаете по наклейкам с логотипом, которые находятся в колпаках люстр и на упаковке. Внутри коробки Вы всегда найдете оригинальный сертификат качества, руководство по сборке и эксплуатации изделия, фирменную этикетку и знак комплектации подвесками.

Весь ассортимент продукции ARTGLASS s.r.o. и другую полезную информацию Вы найдете на сайте: [www.artglassweb.cz](http://www.artglassweb.cz).

Пусть наши светильники украсят и согреют Ваши дома, принесут тепло и радость в Ваши души! Обещаем радовать Вас новинками и отличным качеством наших изделий. Спасибо за сотрудничество!

## Ověsy / Trimmings / Сертификат CLASSIC

Tyto ověsy jsou vyrobeny buď ručním nebo strojním broušením. Obsah oxidu olova ve skle je nízký. Všechny ověsky procházejí důslednou kontrolou kvality, která je stvrzena certifikátem svítidla. Ověsy CLASSIC jsou skvělou variantou pro zákazníka, který chce kvalitní a krásné svítidlo za rozumnou cenu.

The trimmings are cut manually or machine-made. The content of litharge in the glass is very low. All pieces are carefully checked for quality, which is confirmed with the certificate. Trimmings CLASSIC are the best choice for customers who seek for beautiful lighting units of quality - and for reasonable prices.

Эти подвески изготовлены ручной или машинной шлифовкой и полировкой. Содержание оксида свинца не нормируется. Качество всех подвесок строго контролируется и подтверждено в сертификате светильника. Подвески CLASSIC - замечательный вариант для покупателя, который хочет качественный и красивый светильник за разумную цену.

## Ověsy / Trimmings / Сертификат CRYSTAL EXCLUSIVE

Tyto ověsy jsou vyrobeny pouze strojním broušením. V křišťálovém skle je garantován minimální obsah 30% oxidu olovnatého. Tyto strojně broušené ověsy dávají vysoký lesk a rozkládají světlo na tzv. světelné spektrum. Svítidla s ověšením CRYSTAL EXCLUSIVE uspokojí i náročného zákazníka.

The trimmings are machine-cut. For the crystal, we guarantee that the content of 30% litharge is mere minimum. The machine-cut trimmings are characteristic with brilliant polish and decompose the light beams in a light spectrum. The lighting units with trimmings CRYSTAL EXCLUSIVE will attract even the most exacting customers.

Эти подвески производятся только машинной шлифовкой и полировкой. В хрустале гарантируется минимальное содержание 30% оксида свинца. Результат совершенной машинной шлифовки – безупречная чистота и блеск подвески, идеальное разложение светового потока в радужный спектр. Светильники с подвесками CRYSTAL EXCLUSIVE удовлетворят самого требовательного покупателя.

## Ověsy / Trimmings / Сертификат SPECTRA® Swarovski®

Již sám název výrobce garantuje nejvyšší možnou kvalitu ve světě. Ověsy jsou vyráběny z opticky čistého skla zpracovaného na nejmodernějších broušících strojích. Lustry doplněné ověsky SPECTRA® Swarovski® nechají vyniknout i nejluxusnější interiér a uspokojí i toho nejnáročnějšího zákazníka.

The name of the manufacturer guarantees the highest possible quality in the world. The trimmings are made from optically pure glass, processed by most modern cutting devices. The chandeliers decorated with trimmings SPECTRA® Swarovski® will light up greatly even most luxurious interiors and satisfy even the most exacting customers.

Уже само имя производителя гарантирует наивысшее качество. Подвески сделаны из кристально чистого стекла и обработаны на самых современных машинах. Люстры с подвесками SPECTRA® Swarovski® подчеркнут роскошь и аристократизм вашего интерьера.
