

The professionalism, experience, and trust are the values that always have defined and still define the relationship between CCASTRO Lighting and its clients. With over 35 years of experience, the company distributes a wide range of lamps in a global level. It has a wide range of products – classic or contemporary.

CCASTRO Lighting pays special attention to market trends and has been committed to providing the best satisfaction possible to the clients' expectations setting high standards of quality and style.

CCASTRO Lighting develops and creates fine lighting products that combine modern technology with quality craftsmanship which are exclusive and produced in limited series.

Most of CCASTRO Lighting creations are exported to the European and Middle Eastern market.

Our products are designed to a lighting that dominates the space, providing shades of elegance, luxury and fantasy. The exclusive offer, the originality and the range that distinguishes all the projects of CCASTRO Lighting is produced with the highest quality and an extreme care concerning each detail in every step of the process. The excellent materials used are a driver factor to the product's final quality, present in dwellings, hotels, churches and palaces from all over the world. The experience of CCASTRO Lighting allied to the high quality and Project innovation is the key to their success.

O profissionalismo, a experiência, e a confiança são os valores que sempre definiram e definem o relacionamento entre a CCASTRO Lighting e os seus clientes. Com mais de 35 anos de experiência, a empresa distribui uma gama variada de candeeiros, a nível global. Dispõe de um largo leque de produtos – clássicos ou contemporâneos.

Actualmente a CCASTRO Lighting está atenta às tendências do mercado, procurando responder às expectativas dos seus clientes, desenvolvendo novos produtos e modelos especiais.

O fabrico dos artigos é feito por artesãos qualificados, dando origem a séries limitadas e produtos exclusivos.

A empresa CCASTRO Lighting exporta 90% da sua produção para a Europa e Médio Oriente.

Os nossos produtos são concebidos para uma iluminação que domina o espaço, e que proporciona tons de elegância, luxo e fantasia. A exclusiva oferta, a originalidade e a variedade que caracterizam todos os projectos da CCASTRO Lighting, é produzida com a mais alta qualidade, onde o cuidado extremo pelo detalhe está presente em cada etapa do processo. Os materiais de excelência utilizados são um factor determinante para a qualidade final do produto, produto este presente em habitações, hotéis, igrejas e palácios de todo o mundo.

A experiência de CCASTRO Lighting combinada com a alta qualidade e inovação dos projectos são a chave do seu sucesso.
